

# SCOUT CLINICAL PATIENT SERVICES

No two patient journeys are the same, and we approach each study with a unique set of services and decades of experience. Combining easy-to-use technology and a dedicated patient service team, we tailor a flexible experience to fit the needs of patients, sponsors, sites, and CROs.

## PATIENT TRAVEL SERVICES

Reduce the stress of travel, cost, and other barriers to patient retention with a proactive approach to clinical trial patient travel.

## PATIENT REIMBURSEMENT & PAYMENT

Streamline patient reimbursements and payments with easy-to-use solutions in multiple currencies.

## REGULATORY SUPPORT SERVICES

Maintain compliance, trial integrity, patient confidentiality, and data privacy across regions—regardless of complexity.
