

# Scout:

## YOUR PARTNER IN PATIENT RETENTION

Comprehensive, customizable clinical trial patient travel and payment services designed to remove barriers to participation

### GET EVERYTHING YOU NEED...

- Cost neutrality for patients & caregivers
- Global expertise in over 100 countries
- 24/7 live support
- Agile, customizable solutions
- Transparent reporting

### ...AND NOTHING YOU DON'T.

- Monthly fees
- Services limited by region
- High maintenance vendors
- Automated, impersonal support
- Delayed reporting and billing

For 69% of prospective clinical trial participants, providing transportation and reimbursement for travel expenses is one of the most impactful motivators for participation.
