

Scout | ACADEMY

A virtual clinical trial platform that streamlines studies & supports compliance.

Why Choose Academy?

Scalable, adaptable, and tailored to your precise needs.

Sites:

Experience simplified operations that enhance consistency and efficiency in managing your time and resources.

Sponsors:

Gain unparalleled oversight and manage protocol adherence in real time, ensuring your data meets the highest quality standards.

CROs:

Enjoy enhanced efficiency and simplified regulatory compliance, significantly reducing operational burdens.

STREAMLINE TRIAL OPERATIONS

Enhanced Audit Readiness:

Centralize all trial data and activities to ensure transparency, accountability, and GCP compliance.

Integrated Learning Management:

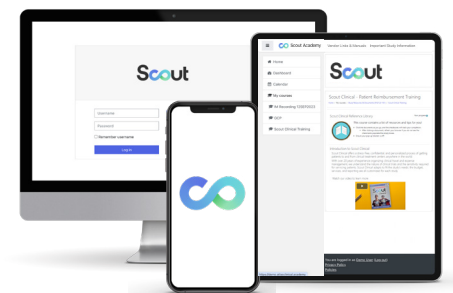

Provide consistent, up-to-date training and compliance tracking, with SCORM-compliance for seamless integration.

Operational Efficiency:

Digitize and centralize processes to promptly identify and address non-compliance, significantly reducing site burden. Support remote interactions to enhance user engagement.

On-Demand Access:

Instant access to essential study materials and resources, ensuring timely and efficient operations across time zones and locations.

ACHIEVE ADVANCED COMPLIANCE

Comprehensive LMS

Swift updates and easy tracking of training completion.

Audit Trail Capability

Detailed records of all system actions for clear audit trails.

Regulatory Compliance

Adheres to FDA 21 CFR Part 11, HIPAA, and GDPR standards.

User-Friendly Interface

Intuitive navigation enhances efficiency and keeps users well-informed.
